

The Onward March of the Ku Klux Klan, or "The Knights of the White Light" Throughout the Northern States. Col. Marcus Garvey, Who Is Not An American Citizen Being Born in the West Indies, Advises the Twelve Million Colored People in This Country Not to Attempt to Oppose the Ku Klux Klan and Tamely Submit to Their Rule and Permit Them to Commit Indescribable Crimes Upon the Colored Women.

NOT MANY YEARS AGO REV. THOMAS DIXON, JR., THE ARCH ENEMY OF THE COLORED RACE, AUTHOR OF "THE CLANSMAN," "THE LEOPARD'S SPOTS" AND "THE ONE WOMAN," PROCLAIMED TO ALL THE WORLD THAT ALL THE COLORED GIRLS IN THE SOUTHLAND, FOURTEEN YEARS OR OVER WERE IMMORAL AND THAT THE COLORED WOMEN HAD NOT THE SLIGHTEST CONCEPTION OF THE WORD "CHASTITY" OR "VIRTUE."

IN ALL OF THE AGES OF THE PAST AND AT THE PRESENT TIME, WHITE MEN HAVE BEEN EVER READY TO WADE IN HUMAN BLOOD UP TO THEIR NECKS, IN ORDER TO DEFEND AND PROTECT THE HONOR OF THEIR WOMEN, AND THE COLORED MEN MUST DO THE SAME THING IF THEY EXPECT TO COMMAND THE RESPECT OF MANLY MEN BELONGING TO THE OTHER RACES OF MANKIND.

In our humble opinion the absolute reign or bloody rule of the Ku Klux Klan or the "Knights of the White Light," is fast becoming the most momentous or far-reaching and most important question now confronting the sober-minded American people. This question completely overshadows all other grave questions at the present time, for if the Ku Klux Klan or the "Knights of the White Light" shall continue to be permitted to maintain their invisible empire which now extends from ocean to ocean and from the coldest regions of the extreme northern clime to the great Gulf of Mexico, then it will be only a question of a very short time until this grand and glorious republic, which is by far the best republic so far established on the face of the broad, green earth, will be blotted out in anarchy and bloody revolution.

For, within the past year, the Ku Klux Klan or the "Knights of the White Light" have invaded every northern state and all the leading cities of the north, such as New York, St. Louis, Mo., Boston, Mass., Chicago, Cincinnati, Ohio, Philadelphia, Pa., Indianapolis, Ind., Pittsburgh, Pa., and at many other points they maintain headquarters and the high chiefs of their organization boast of the fact that they have hundreds of thousands of members north of the Mason and Dixon line who are doing everything in their power to choke off the colored people, the Jewish people and the members of the Roman Catholic church. In many of the southern states and cities these midnight prowlers and red-handed murderers have

with their weird demonstrations from the high hills overlooking many of the principal cities of the country struck terror into the hearts of thousands of both white and colored people and their lawless and bloody rule with the shotgun, with the lead, the rope and with tar and feathers has never been surpassed in any part of the civilized world.

Within the past year these lawless imps of the infernal regions who set themselves up as jury, judge and the head and front of the law, have laid their blood-stained hands on both white and colored women whom they claimed had violated some of the laws, stripped them stark naked in the presence of four or five thousand members of the Klan and after being severely beaten they received a coat of hot tar and feathers, then they were permitted to wander forth upon the face of the earth in that horrible condition.

Such brutal treatment of women of the colored race in this country. Col. Marcus Garvey, who is not an American citizen and who is raking in hundreds of thousands of dollars in easy money from his deluded dupes or blind followers feels that nothing should be said about it on the part of the colored people, that the Ku Klux Klan or the "Knights of the White Light" are so strong and powerful that the colored people should tamely submit to any rough treatment which may be accorded to them and that they should feel thankful to them that they are not driven off of the earth into the deep blue sea.

The following is a fair sample of

the tommyrot that Col. Garvey, who should be muzzled some way or other continues to send broadcast throughout this country for the benefit of the members of the Ku Klux Klan or the "Knights of the White Light" who are willing to assist to feed him on money as long as he will continue to urge the colored people to seek new homes in Africa.

"This is a white man's country. He found it, he conquered it, and we can't blame him because he wants to keep it. I'm not vexed with the white man for Jim Crowing me because I'm black. I never built any street cars or railroads. The white man built them for his own convenience. And if I don't want to ride where he's willing to let me, then I'd better walk."

"But what we ought to do, is to have our own country and our own land, with our own railroads and Booker Washington cars instead of Pullmans."

The above is the most pernicious and damnable doctrine that has so far been promulgated by any colored man in this country, and Col. Garvey should be given the choice of either cease from preaching it or to be driven from the United States.

It seems hard for him to understand that the colored people are an integral part and parcel of this country; that they know no other land nor flag; that being born and raised here and that by the eternal gods, they intend to remain on this continent to the end of time.

It is almost useless to call the at-

It may be that in many instances colored men will be forced to defend their wives and beautiful daughters at the points of guns from the ravishments of white gentlemen.

THE "ON TO WASHINGTON" DELEGATION, COMPOSED OF NOBLES, KNIGHTS TEMPLARS, SHRINERS AND MANY PROMINENT CITIZENS, BOTH MEN AND WOMEN, ATTRACTED A GREAT DEAL OF ATTENTION ALONG THE ROUTE, FROM THIS CITY ON TO THE CAPITOL OF THE NATION.

(Special to The Broad Ax)

The Pilgrimage of Arabic Temple No. 44, A. E. A. O. N. M. S., from Chicago to Washington, D. C., was a most magnificent success. More than three hundred nobles with their wives and families left the city Friday morning on the Washington Special, composed of sixteen cars, including 12 sleepers, two diners, a dancing car and baggage. Included in the Pullman cars were a parlor car and observation.

All along the route the delegation was received and greeted by the people in amazing wonder of such an aggregation. Three engines were required to pull this train, particularly over the mountainous route, through the Virginias. It was said by the officials that this was the grandest and greatest train ever pulled over the Baltimore & Ohio railroad within the past twelve years.

Numbered in this gigantic aggregation was the Shriner's band, composed of fifty nobles and the Isis Saxophone band with sixteen daughters of Arabic Court of Isis, and some of the most representative citizens of our race. Among these were illustrious Potentate Stewart C. Jefferson, Noble A. L. Williams, Chief Rabban, Noble J. B. Hart, Assistant Rabban; and Noble R. I. Hodge, Special Deputy. Noble R. W. Kennedy, Grand Matron of Eureka Grand Chapter, O. E.

After being assigned to their respective headquarters numbers of the party enjoyed sight-seeing trips around the capital city. Sunday afternoon and evening were given to memorial services in honor of deceased members of the order. Among the sights seen included visits to Arlington Cemetery, where the Isis Band laid a wreath on the grave of the Unknown Soldier. Also Mt. Vernon, where the historic home of Washington is preserved, and Anna Costia, the home of Frederick Douglass, which has been preserved by the National Federation of Colored Women's Clubs, and the Colored Girls' School of which Miss Nannie Burroughs is president, located at Washington Heights.

On the return trip some of the delegates will visit Philadelphia, Atlantic City, New York, Boston, Mass., Montreal, Canada, Toronto, Buffalo, Quebec, Niagara Falls and other points of interest enroute. Among these will be Nobles A. L. Williams and wife, Wallace Johnson and wife, Oscar DePriest and wife and others.

1,000 persons have joined this new movement.
